

2010 NEORH Calendar

Updated: March 26, 2010

January

January 1 through April 5 (28s, 38s, 48s, 55s) and May 11 (18s)

Players may transfer from team to team by completing the Player Release form and acquiring the appropriate signatures.

Free movement from January 1 through May 11. Play is based on completion of the appropriate forms, satisfaction of any obligations, financial or otherwise, to the team being vacated, and the final approval of the board, with everything being done prior to May 11. After that, however, the manager of the team being vacated may refuse to release the player. Manager must file a letter with the Board, citing his reasons for refusal, and the player may appeal to the NEORH RH Governing Board for relief no later than May 16, after which time no further transfers will be permitted for 2010.
