WEEK 3  
 LEGENDS/VINTAGE  
 FOREVER YOUNG  
 NOV. 10<sup>th</sup>

## November 10: Celebrating Veterans Day

Roy Hobbs honors veterans on the ball fields of Lee County on Veterans Day each year, and Friday will be no different.

Roy Hobbs asks that both teams line up on the foul lines before their games – twice if they are playing double headers.

Umpires are asked to MC the action, and each does it differently. However, the point is to honor veterans, veterans on the field and veterans whom we remember.

Please make it a Veterans Day to remember.

## 2 Championship Games to be Broadcast Saturday

Roy Hobbs is working on a plan to broadcast selected World Series games, both live-streaming via the internet and as a posted post-game podcast on the Roy Hobbs website.

The plan gets rolled out this Saturday, and Roy Hobbs plans to broadcast 2 Championship games from Hammond Stadium at the CenturyLink Sports Complex.

# Broadcast

The games will be live audio streamed on the internet and video-taped. The video will be turned into a podcast that will be uploaded to royhobbs.com approximately 2 hours after the games end. Several of our sponsors say they will be prepared to play those games in their establishments if players request them. We will let you know at the end of the week.

Teams in line to participate in these games will be asked to complete some paperwork background on the team and the players so that the announcing crew will be able to give the audience background on those players in the game.

The immediate goal of this project is for 2018 – Roy Hobbs wants to be able to offer teams the opportunity to have one of their games broadcast from Hammond Stadium next year. Teams buying into the plan – Roy Hobbs would broadcast 2 games a day Sunday through Wednesday – would have their stadium game at CenturyLink. Roy Hobbs would then broadcast 2 championship games each Saturday.

Over the course of the 2018 RHWS, Roy Hobbs' goal is to broadcast at least 48 games.

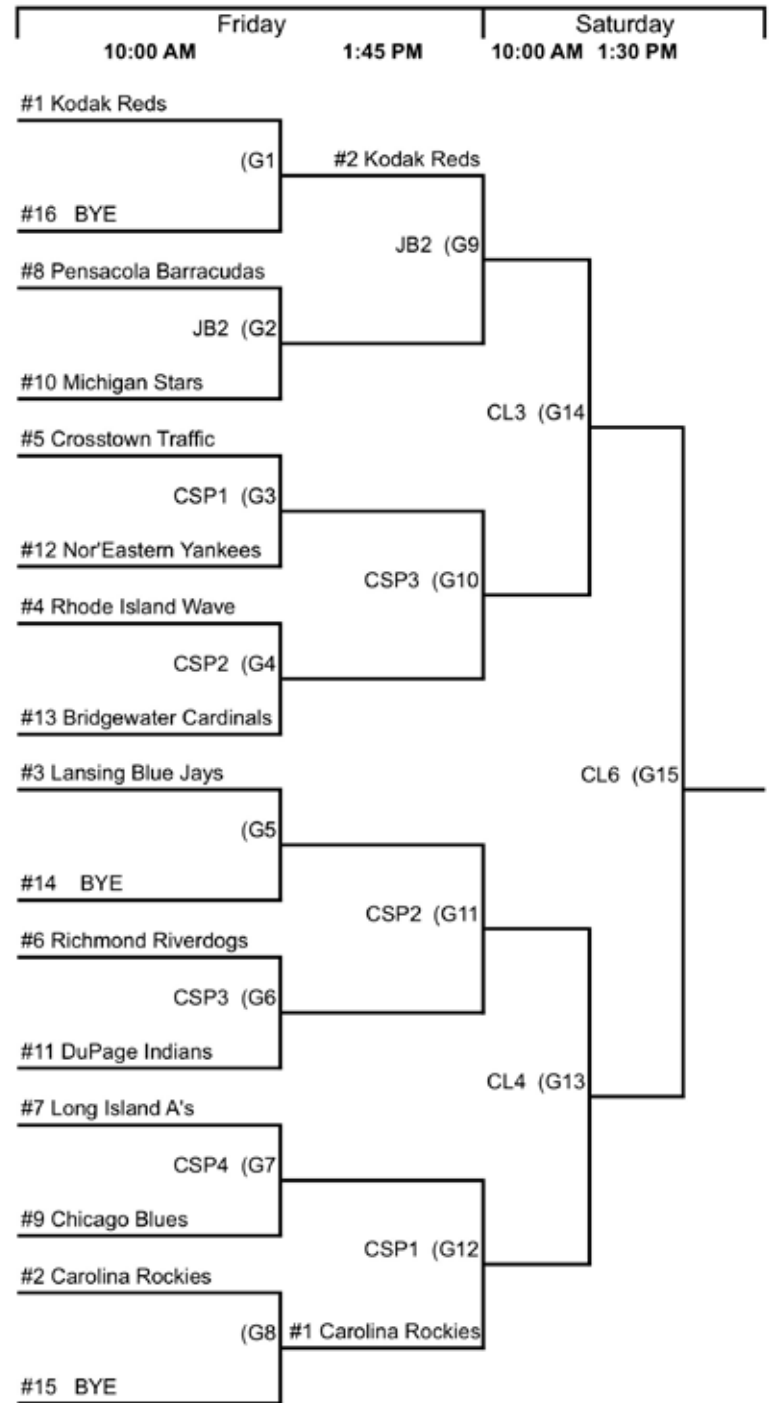

Therefore, these 4 games over these two weeks is the test drive, so to speak, and Roy Hobbs' opportunity to show teams what can be done in this format.
