

AAAA-AAA PLAYOFFS MEETING

The Roy Hobbs Advisory Committee still will meet at 1:30 p.m. Wednesday at Roy Hobbs World Series headquarters to determine the set up and seeding for the AAAA and AAA playoffs.

Although 12 managers have been invited to participate on the committee, any interested managers are welcome to come and be involved too. Anyone interested in attending should contact Tom Giffen at World Series Headquarters.

Veterans play began Sunday with 18 teams in the AAAA/AAA hunt. The Committee will determine the 8 teams that remain in the AAAA double-elimination playoffs, and then set the 8 teams that will comprise the AAA double-elimination AAA playoffs.

Both divisions will start play on Thursday. The seeding and scheduling will be announced late Wednesday afternoon at the headquarters, posted there and on royhobbs.com as well as being put on the Roy Hobbs Schedule line – 239-533-7694.

Getting Thursday's schedule

The seeding and scheduling for Thursday's play will be announced late Wednesday afternoon at the World Series headquarters at the Lee County Sports Complex.

All of the data will be posted at the Ticket Office at the Lee County Complex. It will also be posted on royhobbs.com as well as being put on the Roy Hobbs Schedule line.

Call 239.533.7694 and select the Schedule option on the phonemail system.

Getting Friday's schedule at Pairings Party

Non AAAA-AAA teams should make their plans now to attend the Thursday evening pairings party, scheduled for the Big Game Waterfront Bar and Grill, at 2500 Main St., Fort Myers Beach. Big Game is located on Main Street, which crosses San Carlos Blvd. just before the bridge to the beach.

The party will start at 7 p.m. and the pairings will be announced about 8 p.m.

Big Game Waterfront Bar & Grill is a new sponsor partner of the Roy Hobbs World Series, and management there will be putting us on their outdoor deck and patio for the evening, with a finger food buffet, drinks and a cash bar.

The party will start at 7 p.m. and the pairings will be announced about 8 p.m. There will be more

details on that in Thursday's Inside Pitch.

We do not plan to have a rainstorm during the outdoor party like we did last year ... that was too much excitement!

Pitching

For the record, here is a recap on the rules on pitching eligibility for the playoffs.

Roy Hobbs requirement is that all pitchers who will be starters or closers in save situations (3-run or less difference in the 8th and 9th innings) qualify for the playoffs by pitching at least 2 innings – 6 outs or 15 hitters – during pool play.

NOTEBOOK

CONTINUED FROM PAGE 1

This is a reminder to all managers that all pitching statistics need to be updated through the first 4 games by noon Wednesday.

When AAAA-AAA playoffs begin Thursday, all managers will be supplied with a list of pitchers eligible to start-close.

Finally, in the playoffs, those "non-qualified" middle-inning pitchers will come to the mound from their normal defensive positions where they started the game. That is important as the "spirit of the rule" is that these *non-qualified* pitchers who are used as "inning-eaters" are players who ordinarily are playing other positions.

So here's a reminder to Managers to enter their statistics after each game on line.

The program will give you cumulative totals for all your games, and Roy Hobbs will be checking those on Wednesday morning to produce pitching data to determine which pitchers will be eligible for starting-closing roles in the playoffs.

If you need assistance, please contact Rob Giffen at World Series Headquarters.

Results corrections

Please check the posted results and standings each day.

Managers should contact Rob or Adam at Tournament Headquarters (239.533.7694) with corrections to scores.

That's the best way to make sure that seedings and pairings are accurate.
