

THURSDAY NOVEMBER 3RD

# Setting the playoffs for AAA-AA-A-B

The single-elimination playoff brackets in the Masters Division will be settled after Thursday's fifth pool game.

The field will be broken into 4 groups – AAA, AA, A & B – based on record, runs allowed and the logistics of handling all of those teams in single-elimination playoffs. (Winless teams will have their own bracket of games Friday & Saturday.)

The Masters Division Pairings Party will be held tonight at Bahama Breeze Restaurant, located in front of Home Depot on the NE corner of Six Mile Cypress and U.S. 41, including complimentary snack foods and non-alcoholic drinks, starting at 7 p.m. Bahama Breeze is reserving the outdoor area for Roy Hobbs; there will be a cash bar.

The pairings will be announced about 8 p.m.

*This will be the ONLY place the Friday pairings will be available before 8:30 p.m. Thursday evening.*

Following the pairings party, where the matchups will be announced and the B Division will be established by draw with teams attending getting the first positions selected, the AAA, AA, A & B brackets will be posted on **royhobbs.com**, on the World Series phone system: **239.533.7694**, and posted at World Series headquarters. *Please do not expect that information to be available until at least 8:30 p.m. Thursday.*

World Series officials will be available at the pairings Party to answer questions about the process and the seedings.

As a matter of record, there are 45 teams remaining in the general pool, and 44 are playing Thursday. The Cincinnati Colts (1-3) received a bye on Thursday and will go into the B division playoffs by rule based on when there is an odd number of teams in the field.

Also, going into Thursday's games, there are 7 0-4 teams; we have 3 0-4 matchups and the seventh team plays a 1-3 team. That means there will be 3 or 4 0-5 teams after Thursday play. The 0-5 teams will have their own division, potentially with second games on Saturday.

## AAAA playoffs are set

The AAAA playoffs begin today, with 8 teams competing for the Masters Division's elite championship.

The Roy Hobbs Advisory Committee met Wednesday afternoon to evaluate the potential

teams and reviewed all teams 4-0, 3-1. The committee meeting was open to all managers, and 10 attended.

The committee looked at runs allowed, strength of schedule, who the 3-1 teams lost to and whether the 3-1 teams had what it would consider 'quality' victories, which would be wins over other 3-1 teams or traditional strong teams.

Puerto Rico, the first team to ever go through 4 pool play games without allowing a run, is the top seed. Defending champion HPK, also 4-0, is the 2 seed. The Chicago Giants, who won 2 games Wednesday, is the 3 seed.

Pittsburgh, South Dakota Rushmores and Border City are all 3-1 and are seeded 4-5-6.

The committee added the 3-1 DC Capital Classics as the 7<sup>th</sup> seed, based on their strength of schedule and their victory over Border City in pool play.

The Bergen Yankees, 3-1 and defending AAA champions, are the 8<sup>th</sup> seed, in the bracket by Series guideline.

## Championship & MVP Rings, T-shirts

The Herff-Jones ring representative for Roy Hobbs Baseball will be available Friday afternoon, Saturday and Sunday morning to talk with interested teams and players about team championship rings and MVP rings.

Jamie Pruitt will represent Herff-Jones, and he will have ring samples, pricing and sizing materials. He will be located at the Roy Hobbs World Series Headquarters at Lee County Stadium.

All RHWS championship teams may purchase rings, applying any or all of their winning stipend to the fee. AAAA teams win the rings or a waiver fee to the 2012 RHWS.

Championship teams may also purchase a RHWS Championship T-Shirt, which should be delivered within 10 days. Staff members will be modeling that shirt on Friday and Saturday. See Mary Ann in the Pro Shop or Meranda in the headquarters office to order shirts.

All teams select an MVP player for their efforts at the 2011 World Series.

The honorees or their managers should come to the World Series Headquarters on Friday or Saturday to register for their award, which is a Cage Jacket or pullover or polo shirt, all of which are embroidered with the World Series logo, an MVP moniker and the player's name.

Additionally, MVP winner may order a World Series MVP ring. Samples of the ring can be seen in the World Series Pro Shop on the Concourse of Lee County Stadium.

Check them out at Lee County Stadium ...

## Pitching

For the record, here is a recap on the rules on pitching eligibility for the playoffs.

Roy Hobbs requirement is that all pitchers who will be starters or closers in save situations (3-run or less difference in the 8<sup>th</sup> and 9<sup>th</sup> innings) qualify for the playoffs by pitching at least 2 innings – 6 outs or 15 hitters – during pool play.

This is a reminder to all managers that all pitching statistics need to be updated through the first 4 games by noon Wednesday.

When AAAA-AAA playoffs begin Thursday, all managers will be supplied with a list of pitchers eligible to start-close.

Finally, in the playoffs, those “non-qualified” middle-inning pitchers will come to the mound from their normal defensive positions where they started the game. That is important as the “spirit of the rule” is that these *non-qualified* pitchers who are used as “inning-eaters” are players who ordinarily are playing other positions.

So here's a reminder to Managers to enter their statistics after each game on line.

The program will give you cumulative totals for all your games, and Roy Hobbs will be checking those on Wednesday morning to produce pitching data to determine which pitchers will be eligible for starting-closing roles in the playoffs.

If you need assistance, please contact Rob Giffen at World Series Headquarters.

## MVP & team awards

MVP and team award certificates should be redeemed at the Roy Hobbs World Series Headquarters at the Lee County Stadium ticket office when the time comes.

Even though it is a little cooler, this still stands true... Drink Water.

This is just a reminder that with the heat and the humidity that everyone needs to stay hydrated. The heat is sneaky. Don't let it sneak up on you.

Everyone needs to keep drinking water before games and throughout games. Once you get into a heat problem, you cannot make up the lost fluid in a hurry, and it takes time to replace a body's fluids once they are depleted.
